The Rebuy Club Cantina and 24-hour Poker Room: you will never find a more wretched hive of scum and villainy.

Our hero, **Obi-Wan Gregnobi**, sits down at the bar with his sidekick, **Luke Jeffwalker**.

Luke Jeffwalker is accosted by a brute speaking another language (German?)

**Ponda Björn:** <threatening sounds>

Luke Jeffwalker turns his back on the brute, but then there's a tap on his shoulder.

<tap, tap, tap>

**Kainelius Evazan:** He doesn't like you.

Luke Jeffwalker: I'm sorry. <turns his back again>

<tap, tap, tap>

Kainelius Evazan: I don't like you, either.

Obi-Wan Gregnobi intervenes.

Obi-Wan Gregnobi: This little one's not worth the effort. Come, let me get you something.

The brutes will have nothing of it. A confrontation starts. Shoving, blasters, tables knocked over. Then...

*Misclick lightsaber!!* Now there's an arm on the floor!

Meanwhile, at a dark table, a bounty hunter has cornered his prize.

**Chris Moydo:** The Rebuy Club has put a price on your head so large, every bounty hunter in the galaxy will be looking for you.

**Mike Solo:** Even I get good cards sometimes. Do you think I had a choice?

Chris Moydo: You can tell that to the Rebuy Club. We may require you to show your cards.

Mike Solo: Over my dead body.

Chris Moydo: That's the idea. I've been looking forward to this for a long time.

Mike Solo: Yes, I bet you have.

<pew pew!>

PS: Mike Solo *definitely* shot first.

**Hem Craigzon** agrees.

Speaking of agreement, Obi-Wan Gregnobi gets stopped by storm troopers outside the cantina. The board is JJ77x; both Obi-Wan Gregnobi and **Trooper Dennis** hold a jack.

Obi-Wan Gregnobi: These are not the cards you're looking for.

Trooper Dennis: These are not the cards I'm looking for.

Obi-Wan Gregnobi: You can fold your top full house.

Trooper Dennis: I can fold my top full house.

Also, if you look closely inside the cantina, you can see **Figrin D'an** (his actual Star Wars name!), **Rob3PO**, **Aidan Helrot**, **Dave Matstak**, **David Anthonoli**, **Lirin Steve'n**, **BaileyShek**, **Lak Santi**, and a cameo by **Momaw Olsen**.

But, wait, where is the golden poker god among all this? Oh, right. Before our heroes can sit down in the cantina...

**John Wuher:** Hey! We don't serve their kind here.

Luke Jeffwalker: Why don't you take a sabbatical. We don't want any trouble.

**Dave3PO:** I heartily agree with you, sir.

Thanks, degenerates, for participating in the craziest ~~night day~~ night and day and night in Rebuy Club history! To commemorate the brain-frying 29 hours (plus a short sanity break) of poker, here's some music:
